## TOP WAYS GALE'S DIGITAL CONTENT DEVELOPS STUDENTS' FUTURE-READY SKILLS

Many school leaders find it challenging to integrate digital content with classroom instruction. Project Tomorrow<sup>®</sup>, a national education nonprofit organization, performed a study of three independent high schools during the 2014-15 school year.<sup>1</sup> These findings reinforced the significance of Gale's databases in promoting stronger research behaviors.

### WHAT WOULD STUDENTS TELL INCOMING 9TH-GRADERS ABOUT THE ADVANTAGES OF USING GALE?
